

HHH Directions

We are staying at the Chaparral Baptist Assembly, about 5 miles west of downtown. Easiest way to get there is to take US 82 west several miles to the intersection of Southwest Pkwy. (FM 369 north) and turn right. Follow about a mile or two and turn left onto FM 367. Follow about another mile and turn left onto Peterson Rd. (There is a sign for the Chaparral Baptist Assembly on the corner). About a half-mile down Peterson Rd, bear right at the fork and immediately turn left. The camp is just ahead on the right. We will be staying in the 1st building on the right. After 2:00 on Friday look for the sign on the door indicating the rooms that we will be using. (*Note: Distances are estimates only and could vary by anywhere from one half mile to 8,674.329 miles*)

Bring a towel, sheet or blanket and a pillow. Dinner on Friday evening is from ??? to ???.

HHH Meeting Point

Take Peterson Rd. up to FM 367 and turn right. Follow FM 367 until it ends and turn right. At first traffic light turn left onto hwy. 277, Seymour Hwy. And follow towards town. Immediately after going under HWY 287, turn left and get onto the highway and then take the 1st exit (1st Street (?)) and then almost immediately into Scotland park at the athletic field. Use the athletic field parking lot. We will leave the camp at 6:15 am.
